STUDENT TRANSFER REPORT

2018-2019

This report provides information about student transfers within Arlington Public Schools in school year 2018-2019. A transfer student is a student who attends a school but does not reside within that school's boundaries or one who attends a school that does not have an attendance area: that is, it is not a neighborhood school. The report informs the capacity monitoring and planning process.

CONTENT OF REPORT

This report reflects enrollment as of June 3, 2019 and includes:

- Kindergarten through grade 12 students
- Students attending countywide and area schools
- Out-of-county students attending through the non-resident staff tuition initiative
- Transfers by disadvantaged status have been discontinued due to small values (1–9) that allow for individual identification. This could result in a possible FERPA violation.

Transfer type is a code that identifies the reason a student is permitted to attend a school other than their neighborhood school. A list of transfer types and their descriptions is provided at the end of the report.

Division Summaries by level (elementary, middle and high):

- Table 1 displays the total enrollment and the total number of students who transferred into each school.
- Table 2 displays the total number of students who transferred into each school broken down by sending school. Sending school, the school from which the student transferred, is usually the student's home school based on the address in the student information system.
- Table 3 displays the total number of students who transferred into each school broken down by transfer type.

School Summaries

There is a one page summary for each school. The school summaries are presented alphabetically in order of level: elementary, middle, and high.

Each school summary shows the distribution of students by two demographic characteristics: Grade and Race/Ethnicity.

For each demographic characteristic, the table shows:

- The total enrollment
- The total number of students who transferred into the school broken down by transfer type

The transfer process and options are described more fully in APS Policy J-5.3.31 Options and Transfers and its associated Policy Implementation Procedure. These are available on the APS website at:

[J-5.3.31 Options and Transfers](#)

[J-5.3.31 PIP-1 Options and Transfers-Elementary and Secondary](#)
